Crowded House

**PETER LEHMANN WINES, BAROSSA VALLEY – SATURDAY NOVEMBER 13**

**a day on the green** continues its 10<sup>th</sup> anniversary season with a third and very special concert announcement – the sensational Crowded House!

Not just an Australasian favourite, but one of the world's most exceptional and enduring bands, Crowded House will embark on a national tour this November, including Peter Lehmann Wines, Barossa Valley on Saturday November 13. The band will be on stage for two hours delivering the energetic, charismatic and hit-filled shows they are renowned for across the globe.

Founded on the highly-gifted songwriting talents of Neil Finn, Crowded House have an epic back catalogue including such incredible songs as *'Weather With You'*, *'Four Seasons In One Day'*, *'Don't Dream It's Over'*, *'Fall At Your Feet'* and *'Locked Out'*, and albums *'Crowded House'*, *'Woodface'* and *'Together Alone'*.

Back to their best following their 2007 reunion and the critically acclaimed platinum-selling album *'Time on Earth'*, the band released their sixth studio album *'Intriguer'* in June, heading straight to the top of the ARIA chart to notch up their fifth number-one album.

Earlier this year the band performed a trio of Australian dates including a rare and relaxed show at Sydney's Enmore Theatre. Fans, thrilled by the intimate show, were treated to Crowded House classics and samples of their latest album *'Intriguer'*. Old and new were received with rapturous applause, making for an extraordinary evening.

Joining founding members Neil Finn and Nick Seymour are drummer Matt Sherrod and U.S. based keyboard player Mark Hart. Returning from an extensive North American tour, this is the chance to see one of our most-loved bands, giving it their all around the country this November.

Special guest support artists will be announced soon!
