ABOUT THE ARTISTS:

NOISEWORKS – For nearly a decade Noiseworks reigned as one of Australia's most popular and most acclaimed rock bands. Led by the charismatic Jon Stevens, the band sold in excess of 1.2 million albums that spawned 15 hit singles including 'No Lies', 'Take Me Back', 'Hot Chilli Woman' and 'Love Somebody' resulting in a domination of charts and radio airwaves. Since reforming, Noiseworks have retained their brilliant live reputation and are working on their first new album since 1991.

IAN MOSS - 'Mossy' holds a revered place in Australian music. His soulful vocals and incredible guitar playing ensure his live sets are always amazing. Fresh from the extraordinary Cold Chisel reunion tour and performing songs covering both his Chisel and solo careers, this master musician will be in red hot form.

RICHARD CLAPTON – Richard has endeared himself to music-lovers everywhere through his heartfelt inspired performances and a songbook that defines our times. With hits like 'Girls On The Avenue', 'Deep Water', 'Capricorn Dancer', Richard was a thoroughly deserving and popular inductee into the ARIA Hall Of Fame and is an absolute **a day on the green** crowd favourite.

DRAGON - With an unforgettable run of chart-toppers like 'Are You Old Enough', 'April Sun In Cuba', 'Still In Love With You', 'Rain' and many others, Dragon's legacy is of one of Australasia's most successful pop bands. Joined several years ago by veteran vocalist Mark Williams as front man, a revitalised Dragon released a new EP 'Chase The Sun' in November and are thrilled to be back on stage again.

1927 - Fronted by singer Eric Weideman, 1927's classic album "...ISH" remains one of the highest selling debut albums ever by an Australian artist with songs like 'That's When I Think Of You', 'If I Could', 'You'll Never Know' and 'Compulsory Hero' dominating charts and to this day, remaining radio favourites. 1927 recently supported Roxette on their sell-out Australian tour to great feedback from fans and critics alike.

CHOIRBOYS - 'Run to Paradise', 'Boys Will Be Boys' and 'Never Gonna Die' are some of the rock classics that helped put the Choirboys distinctive stamp on Aussie rock'n'roll. Headed by rock belter Mark Gable, they charted a course from pubs to the charts with unflagging energy and commitment. The Choirboys will kick off the day in great style.
